Booking fee
A non-refundable $200 booking fee secures my services and lets me start your legal paperwork. It comes off your total invoice.

- Initial consultation, plus ongoing support through the legal process and coordination of all paperwork lodged with BDM
- Legals only ceremony: the minimum legal wording that I, as your registered celebrant, and you as a couple are required to say

Legals Only or Elopement / Goldilocks?

A legals only ceremony is different to an elopement, wedding or Goldilocks ceremony. Here's a quick guide:

Legals Only
Registry office style, usually around 5 mins. Basic legal wording and certificates signed. No script, no PA, no fuss.

Elopement / Goldilocks Wedding Package
A warm, written ceremony (10 to 15 mins). I bring my quality PA system and microphone, and we'll have your music downloaded and sorted together beforehand. I'll play and coordinate it all on the day, including pre and post ceremony music for the vibe. You also have the option of my Married by Bec Elopement Styling Package: elegant quality faux flowers, a signing table and 2 chairs, available on request.

Not sure which one suits you? Just ask me and I'll help you pick the best fit, so you get the ceremony that's right for you x

Q: Can we have a legals only ceremony and organise our own music and decor?

e.g. a friend or the venue plays the music (or we just hit play), and we set up our own ceremony table and decorations.

A: Yes, absolutely! Just to be clear, the legals only package price covers the legalities, paperwork and minimum legal wording only. It doesn't include me managing or coordinating music, decor or other parts of your day.

Q: It's just the two of us, no guests. Can you supply witnesses?

A: Yes, I can! Witnesses are $35 each. I gift each witness a $35 gift voucher as a thank you for their time and for being present on your special day.
