WOODFORD GARDENS

ABOUT BEC

Inspired Events

I'm Bec, the face behind Married by Bec & Inspired Events, and I'm so excited to be working alongside Woodford Gardens to bring unforgettable weddings and events to this beautiful venue.

With years of experience creating meaningful ceremonies and amazing receptions, stress free elopements and supporting couples throughout their wedding journey, I understand that no two weddings are ever the same. That's why I've created flexible wedding packages designed to suit the way you want to celebrate.

Whether you're dreaming of a DIY hands-on wedding where you choose every detail and bring your own dream team of vendors, or you'd prefer a stress-free, curated experience with everything professionally coordinated for you, Woodford Gardens offers the flexibility to create a day that feels uniquely yours.

While I am the main contact for Woodford Weddings & Events, as well as a qualified celebrant, coordinator and planner, I also warmly welcome other professional celebrants, on-the-day coordinators and planners to Woodford Gardens.

Depending on your chosen package, date and availability, I may not personally be the celebrant or coordinator on the day. However, where required, trusted colleagues (professionals) may be included or recommended to ensure your wedding is beautifully supported from start to finish.

From intimate gatherings to larger celebrations, our goal is simple — to create weddings with heart, purpose, and plenty of room for your personality to shine.

I'd love to help you bring your vision to life.
