

A bouquet of white flowers, including roses and hydrangeas, is displayed in a vase. The background shows a window with a grid pattern and some greenery. The text is overlaid on a white rectangular area with a thin pink border.

2026 - 2027 V2.

HI THERE

Thank you so much for your interest in my DIY faux flower hire or possibly another event stock item.

While I'm primarily a marriage celebrant, I've curated a collection of beautiful artificial floral pieces used within my own elopement packages. When they're not in use, I offer them for affordable DIY hire for local couples.

This is perfect for those wanting beautiful ceremony styling without the high cost of fresh flowers — and the best part... they look incredibly real.

WHAT THEY ARE PERFECT FOR

These floral pieces are designed to create effortless, beautiful styling across your day, including:

- Ceremony arbours
- Welcome signs
- Signing tables
- Aisle entrances
- Plinth and feature styling

HOW IT WORKS

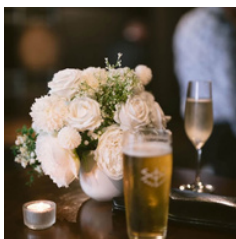

All items are available as **DIY hire**, giving you the flexibility to style your day your way while keeping things simple and cost-effective.

- **Pick up from Mango Hill** (near North Lakes, 4509)
- **3-4 day hire period** (Example: collect Friday, wedding Saturday, return Sunday or Monday).

All arrangements are carefully packed in labelled boxes for protection and must be returned in the same packaging.

Please ensure you have enough space in your vehicle, as some arrangements require numerous larger boxes for transport.

Also boxes are left at a venue, ask them to store them somewhere safe so they don't get thrown away. Cost to replace.

Weather Considerations

Faux flowers do not cope well with rain or moisture and can become damaged

Please:

- Avoid placing them outside if rain is expected
- Have a plan to move them undercover if needed

Security Bond

A \$100 (or as advised) security bond may apply. I will let you know if so & this can be invoiced.

This is simply to try my best to ensure items are returned in the same condition they were hired in

- Photo ID required prior to collection
- Bond payable via cash, bank transfer or PayID
- Returned once items are safely returned and checked (bank transfers may take a few days to clear)

Minor wear such as a bent or loose flower is completely understandable.

The bond is simply in place to protect the overall condition of the arrangements.

OPTIONAL ADD ON'S
